

## **Create ID-GuestNet Registration Account**

Marathon Oil allows onsite visitors to request access to our wireless network: ID-Guestnet. Connection requires creating an account with authenticated information. Once authenticated, the account will be valid for 90 days on a maximum of two devices and will not require re-entry of the account credentials during those 90 days. Visitors will need to re-register for access after the 90 days, if necessary.

## **Registration Instructions:**

Inform guests who are onsite at any Marathon Oil location and requesting network access to:

 Open the Settings tab, select the "Network & Devices" button and a pop-up page will appear to review the networks available

 Once the pop-up page appears, select the "Show available networks" link

| ← Settings         |                         |
|--------------------|-------------------------|
| 命 Home             | Wi-Fi                   |
| Find a setting     | Wi-Fi                   |
| Network & Internet | On                      |
|                    |                         |
|                    | Show available networks |
| 🥂 Wi-Fi            | Hardware properties     |

3. An additional pop-up screen will appear with the available networks. ID-Guestnet should automatically appear.

4. After clicking on the ID-Guestnet network option, a new page will appear in your web browser. Select the **"Don't have an account"** link and follow the steps requested on the webpage to create your account.
